

## MOU between New Horizon and Zenken Corporation, Japan

An MOU has been signed between Zenken Corporation, Japan and New Horizon College of Engineering & New Horizon College to collaborate on campus recruitments for their operations in Japan (International Placements) and to establish a Japan Career Centre at the New Horizon Marathalli campus. Senior executives from Zenken will be deputed at New Horizon to train students on Japanese company requirements. The MoU was exchanged by Dr. Mohan Manghnani, Chairman of New Horizon Educational Institution and Mr. Yuichi Kimura Head of Diversity, Zenken Corporation, Japan on 5th September, 2018.

## Ganapathi Homa @ NHCE

The staff and students of New Horizon celebrated Ganesh Chaturthi with great pomp and gaiety. The celebrations began with the Ganapathi Homa, with the ritualistic puja conducted while following traditions in the presence of the chairman Dr. Mohan Manghnani. Ganesh Chaturthi is celebrated as the birthday of Lord Ganesha, the son of Lord Shiva and Goddess Parvati. The festival is also known as Vinayaka Chaturthi. Ganesh Chaturthi celebration held at New Horizon College of Engineering, Bangalore on the 17th of September 2018. There was a grand celebration all over the campus on that day. After the immersion of Ganesh everybody misses him with a heavy soul, But the sadness never lingers, next year Bappa will come again.

# Teachers' Day 2018

On the occasion of the great teacher Dr. Radhakrishnan's Birth Anniversary, New Horizon Educational Institution celebrated Teachers' Day in the college auditorium on 5th September 2018. The event was graced by the Honourable Chairman of NHEI,

Dr. Mohan Manghnani, Principal of NHCE, Dr. Manjunatha, Principal of NHCM, Dr. R. Bodhisatvan, members of the Management and teachers. The event began with the lighting of lamp by the Chairman and the Principals followed by a dance invocation by Ms. Kavita from the department of Information and Sciences. A video of the members of the management wishing all the teachers was played during the programme. Teaching and non-teaching staff who rendered 10 years or more of service to NHEI were felicitated by the Chairman. Ms. Prasanna Prakash, senior Assistant Professor and Head Co-ordinator of IQAC, New Horizon College,

Marathahalli, was felicitated for her service of 10 years in the college. The Chairman, in his speech, acknowledged and thanked the teachers for their role in taking NHEI to greater heights. Dr. R. Bodhisatvan, the principal of NHCM, gave the vote of thanks.

## “ANVESHAN, a multidisciplinary approach” organized by i-SCRUM club

“Anveshan, a multidisciplinary approach” was organized by Department of Information Science and Engineering as an initiative of i-SCRUM club on 11th of September 2018. The objective of the program was to enlighten the students about Power Reduction Methodologies. The event started with an inspirational talk by Dr. R.J. Anandhi, HOD, Dept. Of ISE. It was followed by an interactive session by the resource person, Mr. Arunabha Bhera who is currently employed as a Platform Architect at Intel, Bengaluru.

# SARGAM 2018

A STATE LEVEL INTER COLLEGIATE CULTURAL FEST

New Horizon Educational Institutions hosted a state level inter-collegiate fest - "SARGAM2018" on 28th and 29th of September 2018, which has now become a very popular annual cultural event, providing a platform for young and creative minds, to bring out their hidden talents in the true spirit of healthy competition. This year's very special and unique theme was 'Krishna Leela-Magic of the Flute'.

Sargam-2018 was inaugurated by Shri. VasudevaKeshavadasa, Vice President of ISKCON, Bengaluru on the 28th of September 2018 at 10.30am. In his address to the audience, he enlightened the eclectic gathering on the cultural values which Lord Krishna symbolized and bequeathed to the world and which have become the trade mark of the affectionate mischievous 'Makkanchor'. Dr. Mohan Manghnani, Chairman of New Horizon Educational Institutions declared that the fest is open to all the students and faculty members to avail of this golden opportunity to explore the essence of life. The theme 'Krishna Leela', for Sargam 2018 like previous years challenged and entertained students with a host of competitive events. A total number of 18 competitions ranging from one star to five stars, like Painting, Mime, Singing (group), Freeze IT (photography), Short Movie making, Switch Foot, DJ wars, Street dance, Shark Tank, Battle of Bands, Contemporary Dance (group) Street Play (group), Computer Gaming, Story writing, Turn Coat, Spot Light

and the Mega event Krishnavatar were organized on the New Horizon College of Engineering Campus.

On entering the campus in the early hours of the morning on 28th September, one was transported to the Brindavan Gardens like it might have been five millennia ago. The green grassy lawns of the campus were bedecked with all the signs and symbols related to the naughty loveable Bala Krishna. The entire ambience was so authentic and opulent that everyone felt a deep connection and feeling of oneness with the aura of Gopinandana.

An array of food stalls doling out sumptuous, delicious and lip smacking snacks, offered a blend of gastronomic delights to all the young lovers of food. The prettily lit up food stalls had a tough time catering to the needs of each and every foodie.

The highlights of this mega fest were of course the spectacular events which offered a feast to the varied participants' and spectators' senses and sensibilities. Krishnavatar: This mega event was undoubtedly an extraordinary event performed by eleven groups/ colleges. It was a joyful and colourful event depicting with various stories of Krishna, from birth to Vishwarupa. All the Leelas were supported with background music and dance. The judge Ms. Mayuri Dixit a famous contemporary dancer, had a tough time in selecting the best teams from the rest, for awarding the prize

amount of one lakh rupees. There were around 10,000+ spectators for this event. The first prize winner was New Horizon College, Marathahalli with Cash prize of Rs.75.000

The second prize bagged by Jyothi Nivas College and New Horizon College Kasturinagar.

Overall trophy was bagged by New Horizon College of Engineering. The best performing college was Christ University, Bannerghatta Campus.

Juke box was a wonderful opportunity for all the students from various colleges to explore a multitude of creative practices from dance to fashion and much more, each and every student enjoyed this event.

To bring down the curtains of this extravagant event of 2018, there was a DJ night and live music concert by Mr. Zaeden and the Kakkar sisters-Ms. Prakriti and Ms. Sukriti from 6.30 pm onwards on 29th September 2018, which drew a crowd of 15000+ spectators from the IT field, Alumni of New Horizon Educational Institutions and students from many other colleges in Karnataka. Finally all the excitement, the thrills, the high spirited energy and enthusiasm that had marked a month long planning and preparation period leading to the annual mega event of Sargam 2018 was neatly wrapped up on the evening of the 29th September 2018. This superbly crafted and brilliantly executed show turned out to be a "Mother of all Bangalore's College Events". This unparalleled and incomparable show was entirely by the students, for the students and of the students.

Every event had a maximum number of colleges and collegians participating. The eagerly awaited announcements of winners of the events were greeted by loud cheering and clapping and thundering rounds of applause from the students and audience. But the leading team who stole the thunder at SARGAM 2018 was none other than our very own New Horizon College of Engineering.

**FILMY DANCE - SENIOR**

PRIZE	COLLEGE
1st	CHRIST (DEEMED TO BE UNIVERSITY) (BANNERGHATTA ROAD CAMPUS)
2nd	NEW HORIZON COLLEGE OF ENGINEERING
3rd	MOUNT CARMEL COLLEGE

**SWITCH FOOT**

PRIZE	COLLEGE
1st	VISHNU ST.JOSEPH'S DEGREE COLLEGE
2nd	BHARATH RAJ NEW HORIZON COLLEGE (KASTURINAGAR)
3rd	YUKTHA, JAIN COLLEGE (VV PURAM)

**GAMING - FIFA**

PRIZE	COLLEGE
1st	SACHIN SURESH NEW HORIZON COLLEGE OF ENGINEERING
2nd	SURAJ.B BALDWINS PU COLLEGE
3rd	SAI PRANAV.H.L CMR PU COLLEGE

**PAINTING**

PRIZE	COLLEGE
1st	PRIYANKA PRASAD ROYAL CONCORDE PU COLLEGE
2nd	PRADEEP.P NATIONAL INSTITUTE OF FASHION TECHNOLOGY
3rd	MALOBIKA MUKHERJEE NATIONAL INSTITUTE OF FASHION TECHNOLOGY

**FILMY DANCE - JUNIOR**

PRIZE	COLLEGE
1st	NEW HORIZON PU COLLEGE KASTURINAGAR
2nd	JAIN COLLEGE V.V.PURAM
3rd	CAMBRIDGE PU COLLEGE K.R.PURAM

**MIME**

PRIZE	COLLEGE
1st	NEW HORIZON COLLEGE OF ENGINEERING
2nd	INDIAN ACADEMY(AUTONOMOUS)
3rd	JYOTHI NIVAS COLLEGE (AUTONOMOUS)

**GAMING - CS:GO**

PRIZE	COLLEGE
1st	SIDDHANTH.T NARAYANA PU COLLEGE
2nd	SANJIV.M SINDHI DEGREE COLLEGE
3rd	SOHAN CHATTERJEE DEEKSHA MIRANDA PU COLLEGE

**SHARK TANK - JUNIOR**

PRIZE	COLLEGE
1st	TAHAR MOHAMMED SHAHBAZ CHRIST UNIVERSITY
2nd	SATYAM RAJ CAMBRIDGE INSTITUTE OF TECHNOLOGY
3rd	AKHIL SWAMINATHAN CHRIST UNIVERSITY

**FREEZE-IT (PHOTOGRAPHY)**

PRIZE	COLLEGE
1st	AJAY ISSAC CHRIST UNIVERSITY (BANNERGHATTA CAMPUS)
2nd	SOHAN RAJU M.S.RAMIAH UNIVERSITY OF APPLIED SCIENCES
3rd	V. FAITHSON DAVID FULLINFAWS COLLEGE

**MEGA EVENT**

PRIZE	COLLEGE
1st	NEW HORIZON COLLEGE MARATHALLI
2nd	JYOTHI NIVAS COLLEGE & NEW HORIZON COLLEGE - KASTURINAGAR

**STORY WRITING**

PRIZE	COLLEGE
1st	SHYLA L NEW HORIZON PU COLLEGE Kasturinagar Campus
2nd	HEMAMAYI CAMBRIDGE PU COLLEGE
3rd	ANANYA GUPTA ARMY PUBLIC SCHOOL

**SHORT MOVIE MAKING**

PRIZE	COLLEGE
1st	ALLIANCE UNIVERSITY
2nd	NEW HORIZON COLLEGE OF ENGINEERING
3rd	CHRIST UNIVERSITY (Bannerghatta Road Campus)

**CONTEMPORARY DANCE - SENIOR**

PRIZE	COLLEGE
1st	NEW HORIZON COLLEGE MARATHALLI
2nd	CHRIST DEEMED TO BE UNIVERSITY (BANNERGHATTA CAMPUS)
3rd	CHRIST UNIVERSITY KORAMANGALA

**TURN COAT- SENIOR**

PRIZE	COLLEGE
1st	NICOLE ESMERALDA DIAS CHRIST UNIVERSITY BANNERGHATTA CAMPUS
2nd	MICHELLE STANLEY ST.JOSEPH'S COLLEGE AUTONOMOUS
3rd	AKHIL SWAMINATHAN CHRIST UNIVERSITY BANNERGHATTA CAMPUS

**CONTEMPORARY DANCE - JUNIOR**

PRIZE	COLLEGE
1st	JAIN COLLEGE - VV PURAM
2nd	JYOTI NIVAS PU COLLEGE
3rd	ST.FRANCIS PU COLLEGE

**TURN COAT- JUNIOR**

PRIZE	COLLEGE
1st	POOJA MARIAM NEW HORIZON PU COLLEGE KASTURINAGAR
2nd	U.SAHANAA REDDY K.L.E. PU COLLEGE (RAJAJI NAGAR BRANCH)
3rd	LAVANYA V.P.NAIK K.L.E.INDEPENDENT PU COLLEGE (NAGARBHAVI BRANCH)

**BATTLE OF BANDS**

PRIZE	COLLEGE
1st	CHRIST DEEMED TO BE UNIVERSITY (BANNERGHATTA CAMPUS)
2nd	ST. CLARAT COLLEGE, JALAHALLI
BEST KEYBOARD PLAYER	EDWIN PETER LOBO ST.JOSEPH'S COLLEGE (AUTONOMOUS)
BEST VOCALIST	S.SIVAN CHAKRAVARTHY NEW HORIZON COLLEGE OF ENGINEERING
BEST DRUMMER	ADITYA SHESHADRI ARMY PUBLIC SCHOOL

**SPOT LIGHT-JUNIOR**

PRIZE	COLLEGE
1st	WINSTAN.G ST.MARY'S PU COLLEGE
2nd	MUSHARAF PASHA SILICON CITY PU COLLEGE
3rd	TAMMY FERNANDEZ JYOTHI NIVAS PU COLLEGE

**SPOT LIGHT-SENIOR**

PRIZE	COLLEGE
1st	TUSHAR MISHRA THE OXFORD COLLEGE OF LAW
2nd	DILIP.G.S NATIONAL INSTITUTE OF OPEN SCHOOLING
3rd	MANJUNATH P SHETTI NEW HORIZON COLLEGE MARATHALLI

**STREET PLAY-SENIOR**

PRIZE	COLLEGE
1st	R.V.COLLEGE OF ENGINEERING
2nd	NEW HORIZON COLLEGE OF ENGINEERING
3rd	CHRIST UNIVERSITY (Bannerghatta Campus)

**GAMING - DOTA 2**

PRIZE	COLLEGE
1st	BANGALORE INSTITUTE OF TECHNOLOGY
2nd	NEW HORIZON COLLEGE OF ENGINEERING
3rd	NEW HORIZON COLLEGE OF ENGINEERING

**DJ WARS - JUNIOR**

PRIZE	COLLEGE
Winners	ROYALE CONCORDE PU COLLEGE
Runners-Up	NEW HORIZON PU COLLEGE KASTURINAGAR

## One-day National level workshop on 'Python Data Science' 2018

Python is an interpreted high-level programming language for general-purpose programming. Python has a design philosophy that emphasizes code readability; it has efficient high-level data structures and a simple but effective approach to object-oriented programming. The trainer Mr Vineeth made the powerful programming language easy to learn with his logical and analytical skills.

There were almost 13 Colleges present for the workshop with more than 50 participants, the inaugural function started with invocation song and lighting of the lamp followed by the welcome address given by the HOD Dr. Logeswari and the Principal Dr Vijaya Reddy addressing the gathering.

The session started in the Degree Lab situated at the basement. The participants comprised of students, HOD's and faculty members from various Colleges across the city. Some of the Colleges present for the workshop were Baldwin Women's Methodist College, CMRIMS, St Joseph's College (Autonomous), New Horizon College (Marathalli), East Point College of Management, St Vincent Pallotti, Goodwill Christian College, Jyoti Nivas College and so on.

Mr. Vineeth, a passionate and pragmatic trainer took over the session by demonstrating Python's elegant syntax and dynamic typing, together with its interpreted nature, making it an ideal language for scripting and rapid application development. The participants actively involved themselves in asking queries and solving programs practically. The session wined up with a valedictory and distribution of certificates.

**STREET DANCE-SENIOR**

PRIZE	COLLEGE
1st	St.JOSEPH'S COLLEGE (AUTONOMOUS)
2nd	NEW HORIZON COLLEGE KASTURINAGAR
3rd	NEW HORIZON COLLEGE MARATHALLI

**STREET DANCE-JUNIOR**

PRIZE	COLLEGE
1st	JYOTI NIVAS PU COLLEGE
2nd	BISHOP COTTON WOMENS CHRISTIAN PU COLLEGE
3rd	JAIN COLLEGE V.V.PURAM

**SINGING-GROUP**

PRIZE	COLLEGE
1st	CMR INSTITUTE OF TECHNOLOGY
2nd	CHRIST DEEMED TO BE UNIVERSITY (KENGERI CAMPUS)
3rd	NEW HORIZON COLLEGE KASTURINAGAR

**DJ WARS - SENIOR**

PRIZE	COLLEGE
Winners	NEW HORIZON COLLEGE OF ENGINEERING
Runners-Up	SURANA COLLEGE

## Swachh Bharath Abhyaan

'Cleanliness is next to Godliness' and keeping your country clean is the responsibility of every citizen. Working towards realizing this dream of our Prime Minister Mr. Narendra Modi, the students of New Horizon college visited a village in Nerege Taluk called Gonighattapura and cleaned it as part of Swachh Bharath Abhyaan.

44 students accompanied by two teachers ventured to clean the village on 26th of September 2018 at 9.00 A.M. The Principal Dr. Vijaya Reddy addressed the students on their roles and responsibilities before they started. On reaching the place, the students went in groups to the temple, school and streets of the village to clean and also educate the residents about the importance of cleanliness.

The chairman of the village Mrs. Shylaja expressed her happiness and gratitude towards the college's initiative. Appreciating the efforts and interest of the students she said protecting the environment and keeping the surrounding clean shall be of prime importance for them and also segregation of wet and dry waste shall be taken seriously henceforth.

Other members of the village panchayat Mr. Narasimaiah, Ms. Bhagya and head Mr. Karegowda and Mr. Santhosh were also present and acknowledged the efforts of the students. They put forth a request to the management of the college to build a washroom for the school children.

## Indian Technology congress-2018

On day one, the event was inaugurated by Shri H D Kumaraswamy, Honourable Chief Minister, Government of Karnataka followed by the Guest of Honours Dr Sandeep Sancheti, President of Association of Indian Universities and Dr Ashok Dalwai, IAS and CEO of national Rainfed Area Authority Ministry of Agriculture and Farmer Welfare India. The event started with a Plenary session, which featured structured sessions with different speakers that facilitated deep dives into technological and operational issues and discussed strategy-focused topics that helped attendees better understand the depth and breadth of contemporary digital technologies.

It was followed by various sessions like:

1. Transforming the Enterprise for a Digital Age
2. Connected Farming- Indian AgriTech Space
3. Leveraging Technology and Bytes for Indian Energy Security
4. International Seminar on Student Satellite

After all these seminars and panel discussion, Technical

Paper Presentation were carried out both by experts and students on fields of fabrics, GNSS Meteorology, Medicine and Farming.

On day two, the event was held on different fields of study at the same time in different halls.

1. Plenary Session on Student Satellite Mission
2. Connected Farming- Indian AgriTech Space
3. Challenges of Driving Digitalization in Public Sector Enterprises
4. International Seminar on Student Satellites
5. Drivers of Transformation in Educational Excellence

## TECH CONNECT” Event from VMware IT Academy Club

“Tech Connect” an event from VMware to our student members of VMware International IT Academy Club of Information Science and Engineering Department was organized on 12th of September 2018. Around 30 students from various departments of New Horizon College of Engineering had attended the event, and those who had cleared the first round of the event were eligible to receive the certificate of participation.

The event comprised of 3 rounds. The winners (Three teams) were declared at the end of three rounds and we’re awarded with mementos and certificates by Dr. R J Anandhi, Professor and Head of the Department, Information Science and Engineering.

## Motivational Talk

We the Department of Information Science and Engineering had conducted a Motivational talk on 25th of September 2018 for the 5th and 7th semester students of ISE at FALCONRY SEMINAR HALL, NHCE. The expert speaker, Dr. Asha Sidd who is a Counsellor at Academy of Guidance and Counselling, Malleshwaram, Bangalore, was invited to conduct the same. She is a multi-talented and skilled individual with over 20 Years of Professional experience in the field of counselling. Dr. Asha began the session by talking about her life experiences, the wrong decisions she made in her life and the way she learnt from her mistakes and how important it is to inculcate decision making skills. She spoke about the behaviour of an individual, how to socialize and connect with the people, how to manage the relationships effectively, how to strengthen emotional intelligence and lastly, about long term goals.

## Alumni talk

Department of Information Science and Engineering organized an Alumni talk by Mr. Ranjan Das Gupta for the 5th semester students on 12th September 2018. The speaker Mr. Ranjan Das Gupta is currently employed as a senior consultant at British Telecom and graduated in the year of 2010 from ISE Department, New Horizon College of Engineering. The session started with the welcome address and an introduction being given about the speaker by Ms. Tejavathi Hegde, student, 5th semester. Dr. R J Anandhi, HOD, Department of Information Science and Engineering addressed the students and emphasized the importance of the alumni talk. The session was on "Trending technologies and technical jobs which shall dominate for the next 5 years".

## Placement Mentoring Sessions

Department of Information Science and Engineering organized two hours placement mentoring sessions for the unplaced students of VIIth Semester from 24th of September to 27th of September 2018. The session started with a motivational speech by Dr. R.J Anandhi, HOD, Dept. Of ISE. The students were divided to four groups and placed students were identified as mentors of each group. The mentors with the support of faculty placement co-ordinators helped the students to solve challenging problems to improve their logical skills. It was a very innovative initiative taken by Dr. R.J Anandhi, HOD, Dept. Of ISE. Students were highly benefitted from the sessions.

## Parent-Teacher meeting

The Department of Information Science and Engineering has organized a Parent-Teacher meeting on Saturday, 22nd September 2018 at 10:00 am. The main purpose of the meet was to create a common platform, where teachers and parents come together to enrich the student's educational experiences and discuss variety of issues, regarding all round development of students. Welcome address and the introductory speech was delivered by Dr. R J Anandhi, HOD, Department of Information Science and Engineering, followed by the presentation on glimpses of the department. Teachers and parents of 3rd, 5th and 7th Semester attended the meet. Parents were excited to know about the department and were enthusiastic about the Teaching-Learning Process and Placements.

## Industrial Visit

An Industrial Visit was organised for Fifth semester students on 3rd and 4th of September to Indian Meteorological Department (IMD) for the subject hydrology. Students learned about the different types of hydrological instruments. Faculties that accompanied the students were Dr.N.Mahesha, Mr. Rajendran and Mr. Pawan Kumar.

## Industrial visit to itorizon inc., bengaluru

Department of Information Science and Engineering organized an Industrial Visit to ITOrizon Inc., Hoodi, Bengaluru for 5th Semester Students on September 27th, from 1:45 PM – 4:45 PM. It was a half-day educational event aimed to know the insights of real time working environment in warehouse managing of supply chain management.

## Workshop @ NHCE

Department of Electrical and Electronics Engineering has organized a workshop for third semester students on “PLC AND SCADA” on the 18th of September 2018. The workshop was based on the applications of PLC (Programmable Logic Controller) and SCADA (Supervisory Control and Data Acquisition). Mr.Parasuraman, Application Engineer, AGIIT (Axis Global Institute of Industrial Automation), Bangalore was the expert invited for the workshop. He began by talking about the present scenario of industrialization. He shed light over the demand of knowledge of automation in various industries today. He was very skilful in sharing his knowledge and experience. He mentioned that the curriculum and syllabi of engineering were framed thirty years ago when industrial automation was in its preliminary stages. He highlighted that technology has changed in the recent years and hence the curriculum and syllabi should also be changed on the present scenario and as per the expectation of the industries. Mr.Parasuraman emphasized on how PLC is more advantageous over Microcontrollers. He told that automation

encompasses many different products which are used to allow companies to make their new products faster and in a more efficient manner. This allows the companies to make more products with less money, in a short period of time, thus allowing them to be competitive in the market. He mentioned that machines have very high efficiency and they perform certain tasks at a faster rate than the human beings, thereby increasing the production rate. He explained more about automation in the present scenario by giving real time examples such as bottling systems, food production industries, sports and home automation.

Some of the information regarding SCADA such as its features, dynamic process graphics, security, trends etc.; its tags –string, analog; its brands-Allen Bradley, Siemens; was given during the workshop.

### Guest Lecture

Department of Electrical and Electronics Engineering has organized a guest lecture for fifth semester students on the topic “SUBSTATION AND ITS MAINTENANCE” in the course Generation Transmission Distribution on 11.09.2018. The expert was Mr.Sathyanarana Rao currently employed as an Executive Engineer at KPTCL, Bangalore. He shed light on Substation Bus arrangement, Potential Transformers, Instrument transformers, Circuit breakers and Surge arresters used for electrical transmission and distribution in Karnataka state.

### High Profile Motivational Talk

Department of Computer Science and Engineering organized a high profile motivational talk on “LIFE CHANGING ANGLES FOR SUCCESS”. The session was addressed by Dr.Rajdeep Manwani (Visually handicapped), Professor and Co-Ordinator, Department of Commerce, Jain University. In his presentation, he highlighted that students should get away from fear and be bold enough to face any challenges.

### Alumni Talk

The department of CSE organized an “Alumni Talk”. Three distinguished alumni were invited to speak on different topics like “Innovations”, “Placement requirements for VMware” and “Techno-fashion”. The speaker on “Innovation” highlighted the different tools available for deployment and also gave an insight on Angular JS. He also spoke about various technologies. The speaker on VMware gave the tips to prepare the placements. The speaker on “Techno-fashion” explained the significance of Technology and fashion.

#### Speakers:

- 1.Mr.Tarun, Senior Consultant, Deloitte, Bangalore
- 2.Ms.Archana, Business Systems Analyst, VMware, Bangalore
3. Mr. Syed, Software Engineer, Infinite Computer Solutions, Bangalore

## Industrial Visit

One hundred and twenty students and four faculty members of EEE Department visited the company Pavagada Solar Park, Karnataka Solar Power Development Corporation Limited (KSPDCL), Thirumani, NagalamadikeHobali, Pavagada Taluk, Tumkur on 4th of September 2018.

Pavagada Solar Park is Asia's Largest solar park spread over a total area of 13,000 acres (53 km<sup>2</sup>) in Pavagada taluk, Tumkur district, Karnataka. 600 MW of power was commissioned by Karnataka Solar Power Development Corporation Limited on the 31st of January 2018. It has planned to increase the capacity further to 2000 MW. The total investment required to build 2000 MW of capacity is estimated as Rs.14800 crore (US\$2.2 billion). By the end of 2018, the park is expected to have the full capacity and will be the world's biggest solar farm.

The team of students and faculty members visited the live working solar plant. The team were given insight into the live operational conditions by experts in the plant. The plant Engineer In-charge explained about the monitoring of the entire unit using SCADA. The entire power plant layout was explained with a single line diagram. There are totally forty working units in the plant. Maximum Power Point Tracking (MPPT) Technology is employed. The generated DC power from solar plant is converted to AC power by using Inverter and fed to a 50MVA Transformer and then to 66/11KV substation. From the substation, electrical power is used for distribution. Due to having the possibility of visiting the plant the students were able to gain valuable exposure to the requirements of the industry.

The visit was organized and coordinated by our faculty team comprising of Dr.Sujitha S, Associate Professor, Mrs.Roopa C, Assistant Professor, Mr.Lithesh J, Assistant Professor, Mr. Muniprakash T, Assistant Professor and Mr. Singaravelan A, Assistant Professor. Mr. Shivakumar, AGM(Field) and Mr.Amit A, Manager(Field) of the solar plant facilitated the visits to various sections in the plant.

## Internship and Industry based Final year Project

Dr.Sujitha S, Associate Professor and Mrs.Roopa C, Assistant Professor have visited Centum Rakon Pvt. Ltd., Bangalore to discuss about the Internship and Project for two batches of Final year EEE Students on the 27th of September 2018. The company has headquarters in Auckland, New Zealand.

### About the company:

Centum Rakon is a global high technology company that designs and manufactures world's leading frequency control solutions. Today, we live in a connected society of wired, wireless and optical networks. Data is being transferred everywhere, at any time and at high speeds. Rakon products are found at the forefront of communications where speed and reliability are of paramount importance.

Centum Rakon's product range comprises low stability Crystal Oscillators (XO), Voltage Controlled Crystal Oscillators (VCXOs) and crystal products, high volume precision Temperature Compensated Crystal Oscillators (TCXOs), Oven Controlled Crystal Oscillators (OCXOs), Surface Acoustic Wave (SAW) oscillators and specialized products for extreme performance.

Dr.Sujitha S, Associate Professor and Ms.Roopa C, Assistant Professor have visited TUV Rheinland, Bangalore to discuss about the Internship and Project for two batches of Final year EEE Students on the 17th of September 2018. The company has its head office in Germany.

## HPE Discussion Session

**B**eneficiary: Faculty members handling the course: Big Data Analytics with HP Vertica from CSE, ISE, MCA  
A discussion session on doubt clarification and how to make a way forward for HPE lab was conducted in HP center of excellence. The executive has done hands on session to address all the doubts put forward by the faculty. Also, other agenda like how analysis is done in Vertica for large dataset, how we can include more hands-on session for future curriculum, advanced analytics in Vertica, how Vertica handles unstructured/semi-structured data as input from different sources were also discussed. A suggestion on various visualization tools like Grafana, Tableau, Qlik, Cognos, SAP BO, BIRT were given that integrates well with Vertica for displaying analysis result in better way. It was also put forward that from HPE center of excellence students should be aware of big data technologies, how data is stored on big data platforms and how analysis is done on that, so that they should be able to answer basic questions from big data when they step into industry.

## Cloud Foundry Days - Tech meet up

**S**elective students from V semester have attended a one day “Cloud Foundry Days-Tech Meet Up” conducted by SAP Labs, Bangalore. Deliberations happened on the importance of cloud foundry and kubernetes. Four issues were discussed.

1. “A tale of two runtimes” by pivotal.
2. “The shape of Things to come –Prediction on the future of platform as a service” by SAP.
3. “Public cloud made Private with Cloud Foundry and kubernetes” by IBM.
4. “Overview on User Account Management and Multi-tenancy” by SAP

## Extension Programme for an orphanage - “One day session on MS-Office

The department of CSE organized an Extension Programme titled “One day session on MS-Office” to the girls of the MakkalaJeevodaya an Orphanage run by the sisters. The inmates were aged between 6 to 18 years and all of them were pursuing education in a nearby school. The dept organized a day’s event to educate the children about computer and MS-Office, specifically MS-Word and PowerPoint. Faculty coordinators and five students of VII Sem visited and they were welcomed by sister Anitha (Care Taker). The session was well received by the children. Our students also conducted a few games for them. They participated enthusiastically by dancing and enjoying. We distributed stationary items in a pouch, small lunch box, some snacks like chips, groundnuts, Kellogg’s, choccos, mixture and chocolates for all the kids. It was a memorable day for all the coordinators and the students who supported this event.

Coordinators:

1. Dr Vishwanath Y
2. Ms. PritiBadar
3. Ms. Sheba Pari,
4. Mr. Puneeth Palagi
5. Ms. Vasantha M
6. Ms. Yogitha

## Industry Expert Lecture on Search Engine Optimization

**A** guest lecture session was conducted by the Department of Master of Computer Applications for the Fifth semester students on 8th Sep on 2018, on the topic of Search Engine Optimization. Profile of the Guest: Mr.Pravin Kumar Sinha, Senior Software Engineer, Hortonworks, Bangalore, who is having 11+ years’ experience in various fields. He has developed various Projects, handled various teams as a team leader and also has done Sun Certification programmes.

## Webinar On Azure

Azure is a cloud computing service created by Microsoft for building, testing, deploying, and managing applications and services through a global network of Microsoft-managed data centers.

The speaker of the session was Mr.Sivaramakrishnan, Software Engineer Test and Product-support engineer, at Kovai systems. The concepts of Azure and cloud computing was taken for the students of BCA.

The Azure topics covered in this session are:

- Introduction to cloud computing and its advantage and disadvantage
- Introduction to AZURE and working
- AZURE Services – compute, networking, web mobile, storage, IOT, Intelligences Analytics.
- BOT Services – collection of Machine learning API'S
- Document DB – SQL queries
- AZURE Functions
- IOT AZURE Suite and Services
- Demo on Azure and presented a virtual Machine working.

## Extension Activity Report

Dr. Chitra, Assistant Professor of Computer Science organized an extension activity in Government High school , Kaggadasapura on 26th September 2018 from 1:00 P.M – 3:00 P.M .She accompanied with B.C.A students visited the Government school ,Kaggadasapura for providing computer education to the students. They explained the basic components of computers with a demo to the 6th and 7th standard students and also taught MS-Paint software to them along with conducting activities related to computer science. Students of Government school were happy and gained knowledge about the components of computers and MS-Paint. They also enjoyed the activities conducted. The Head mistress of the school appreciated the efforts of the students and the faculty of New Horizon College,KasturiNagar.

The following is a list of students that participated:

- |                  |                   |
|------------------|-------------------|
| II year BCA:     |                   |
| 1) Subramani Rao | 6) Radha.M        |
| 2) Chaitra.V     | 7) Kruthika.B     |

## Swachh Bharat Abhiyan (SBA)

Swachh Bharat Abhiyan (SBA) or Swachh Bharat Mission (SBM) is a nation-wide campaign in India for the period 2014 to 2019 that aims to clean up the streets, roads and infrastructure of India's cities, towns, and rural areas. SBA a national level campaign is launched by the Government of India and it is a major step towards the protection of degrading the environment. The objectives of the campaign includes elimination of open defecation, conversion of insanitary toilets to pour flush toilets, eradication of manual scavenging and above all to bring about a behavioural change in people regarding healthy sanitation practices and to ensure public participation in achieving these objectives.

To support the government initiative towards the SWACHH BHARAT ABHIYAN the Department of Management, NEW HORIZON COLLEGE, Kasturinagar, organized a field visit to valepur village near whitefield. The students took active

participation in spreading the awareness about the cleanliness and importance of maintaining the clean environment to the residents of the village. The students of BBA visited the schools in the village to educate about the swachh bharat.

A survey was made to understand the needs of the residents and the concerns relating to the environmental cleanliness.

Roopam and Group	II

English:-

Name	Position
Yashaswini L and Group (I BCOM 'A')	winner

## International Day for the Preservation of the Ozone Layer

The ozone layer, a fragile shield of gas, protects the Earth from the harmful portion of the rays of the sun, thus helping preserve life on the planet.

The ECO – CLUB committee organised World Ozone Day on 17th September will seek to celebrate the major accomplishments of New Horizon College, Kasturinagar in protecting the ozone layer and the climate, to increase public recognition of the success and impact of the Protocol, and to generate further support for the college. As an educational initiative and a step to prompt, young minds to start contributing their bit in nurturing and looking after 'MOTHER EARTH'

The phase out of controlled uses of ozone depleting substances and the related reductions have not only helped protect the ozone layer for this and future

generations, but have also contributed significantly to global efforts to address climate change; furthermore, it has protected human health and ecosystems by limiting the harmful ultraviolet radiation from reaching the earth.

The Eco-Club committee on the occasion of World ozone day conducted a slogan writing competition, collage competition and poster making competition creating awareness about the problems faced due to ozone layer depletion. The students actively took part in the competitions and made it a successful event.

Reducing the carbon footprint, be it in our personal lives or industrial activity remains key to saving the Earth from environmental degradation, say the students of New Horizon College, Kasturinagar, while celebrating world Ozone day this Saturday the 17th

of September 2018. Students and faculty member actively participated by wearing green clothes, making colourful posters and shouting slogans like, 'Protect the ozone layer!' ' Earth without ozone, is like a house without a roof.'

## Flash Mob Competition

FLASH MOB event was organized at the New Horizon College, Kasturinagar campus by Anti Ragging Cell on 18th September 2018, for the students at auditorium.

A flash mob is a group of people who assemble suddenly and perform an unusual act for a brief time, then quickly disperse, often for the purposes of some social cause through entertainment, satire, and artistic expression. It left the students with a sense of responsibility towards society and how they can make a difference through small steps like this. The event turned out really well, leaving the students motivated, encouraged. Many students enthusiastically participated in the event. Among which the winners of the competition were:

## A visit to Samarthanam Trust

On September 22nd 2018 the NSS volunteers of New Horizon College had an opportunity to visit Samarthanam Trust, an orphanage in HSR for disabled children. Team offered commodities such as Chocolates, fruits, Stationery items and money for the children's need. Students & teachers also visited the handicraft shop consisting of things made from recycled paper.

## PTA Meet

The parent teacher association meet was held in New Horizon College, Marathalli at 1:30 pm in the Chanakya seminar hall. There was an introductory speech given by the principal about the significance and constitution of PTA. The meeting delved into relevant topics such as administration, value added programs, internal assessments, attendance. The synergy between industry and academics etc. Including other relevant issues. The interaction proceeded to the guidance on how to monitor their wards and create a sustainable relationship.

## Seminar On "Career Guide"

### Conducted By Career Counseling Cell

The Career Counselling Cell under the initiative of our Honourable Principal Dr. Vijaya Reddy, conducted a Seminar on "Career Guide" on 1/9/2018 at 1:10pm in the auditorium for the V Semester Students. The Resource Persons were Mr. Ravindra Rao and Mr Suresh B.N from Connecting the Dots. The program began with the introduction of the resource persons by Namratha Chandrashekar of V Sem B.Com C.

The Seminar was to enable the students to be future ready by preparing for various entrance exams that are conducted for employment in government and the private sector. They emphasised on the importance of competitive exams and how one needs to prepare for these exams. They gave some of the examples on logical reasoning to improve critical thinking among the students. They provided the details of various exams and motivated the students to pursue various competitive exams.

The students actively participated in the seminar by interacting with the resource persons. The seminar concluded with a vote of thanks.
