B) Read the following passage and answer the questions asked :

As far as Industrial pollution is concerned, a commendable job has been done by the department of environment in making environmental impact assessment studies and ensuring that new big Industries have built-in systems for pollution abatement and control, the problem of controlling pollution caused by small new units and existing plants has so far eluded solution. The 1986 Act has undoubtedly given greater legal powers to State Pollution Boards and other concerned authorities to penalize offenders. However, it must be recognized that punitive action alone will not suffice. If we are really serious about controlling Industrial pollution, the carrot must be used along with the stick.

1) Read the meanings given below. Now, find one word from the passage to replace the description : **(1×3=3)**
