

NEW HORIZON COLLEGE - KASTURINAGAR

Report on Medical Camp at Kallahalli

Date: 6th March 2022

Time: 10:00 AM -3:00 PM

Place: Kallahalli Village

Conducted by: Elite Horizonites

The objective of the Program:

The main objective of the medical camp at Kallahalli village was to provide basic health checks for the villagers.

New Horizon College under Unnat Bharat Abhiyan in 2019 adopted Kallahalli village which is in Hoskote city, Karnataka. Under the flagship of UBA, the college had organised various activities in the village.

The village is located on the outskirts of Bangalore and has no remote access to advanced facilities of health. Due to the pandemic situation, it was difficult for people to visit the hospital for routine medical check-ups. thus, Leo club in association with Lion club Bangalore decided to organise a General medical check-up in the village.

Lion Ms Neha Bathija and Lion Arun S V of Lion club Bangalore helped us through this plan wherein they helped us in gathering doctors for our medical camp. Two days before the camp date, Leos made sure that they visited the village and raised awareness about this medical camp and its benefits.

Medical check up at camp

We managed to get Dr Devendra and his team from Sindhi Hospital for a general medical check-up which included Blood pressure, sugar level and for an eye check-up team of doctors from Udani Optical.

The task was successfully carried out by Leo President Prajwal HA and his team of 20 members who worked from 9 AM to 3 PM selflessly and enthusiastically. Totally 120 villagers have utilized the camp organized.

Eye check-up by Udani Opticals

Kids at eye check-up

A special thanks to Director Dr Sunita Hangal and Principal Dr Sainath for their support in organising the medical camp. In the end, we would like to thank the Gram Panchayat of the village for giving us the nod for organising such a camp with complete support and cooperation from their end. A special mention to the village head in offering a hand by replenishing the energy levels of our Leos by offering lunch.

Meal time at Grama Panchayat

The outcome of the Program:

The medical camp helped the villagers to understand their current health conditions by orienting them to be health-conscious.
