ORGANISES

NEW HORIZON COLLEGE - KASTURINAGAR

GREEN AUDIT & ECO – CLUB

“Voice Out for Green Environment”

(‘Speakathon’ Inter-Class Competition)

Theme: Green Environment and Sustenance (My Role in Protecting the Environment)

About the event:

“Vasudhaiva Kutumbakam” means “The World is Family”. This indicates that we are part of the huge family of all creatures living on this planet. But man has been utilising and exploiting natural resources since Millennia survival forgetting the existence of other creatures and their requirement on earth.

It's time to take an initiative to save and protect the environment. Here is an opportunity to show your participation in a speech competition.

Rules and Regulations:

- Create original video clip of your speech for a maximum 5 minutes relevant to the theme.
- Student must be present in the video and talk on the theme.
- Last date for submission is 5th June 2021 (4:00PM).
- It is a solo competition.
- The participants must introduce themselves before their speech.
- Videos with obscene language, content, graphics, or violence will lead to disqualification.
- Certificates will be issued to Participants & Winners.
- The judges' decision is final.
- Videos will be judged based on the relevance to the theme.

REPORT ON SPEAKATHON INTER – CLASS COMPETITION

(VOICE OUT FOR GREEN ENVIRONMENT)

**THEME: GREEN ENVIRONMENT AND SUSTENANCE
(MY ROLE IN PROTECTING THE ENVIRONMENT)**

Date: 05th June 2021

Conducted by: Green Audit and Eco - Club

OBJECTIVE:

To provide platform to the students to exhibit their communication skills & knowledge through speakthon.

Highlights of the event:

With an aim to promote soft skills amongst students of New Horizon College, Kasturinagar, organizes Speakathon inter class Competition. This year the organization feels the privilege to organize Speakathon inter class Competition on 05th June, 2021. The basic purpose of organizing this competition is to inculcate and boost the corporate communication, develop the public speaking, encourage self-learning amongst the students.

The Speakathon inter class Competition was organised for the BCOM, BBA and BCA department students.

The theme for the Speakathon interclass Competition was 'Green Environment and sustenance (My role in protecting the environment)'. Twenty three students participated, out of which three participants were selected as winners. The presentation was evaluated by the internal experts Mr. Krishnamurthy and Ms. Nagalakshmi. G.S. The faculty coordinators were Mr. Rathesh. J and Ms.Nandini.N. Student coordinators were Mr.Sanju and Ms.Epsiba. Students actively participated in the event.

Conclusion: This activity helped the students to showcase their talent and communication skills creativity through the videos prepared by them. It motivated the students to analyse on the given topic and to present their analysis through speakathon competition.
