

NEW HORIZON COLLEGE - KASTURINAGAR

Report on Grama Sabha at Kallahalli village

Date: 6th March 2022

Time: 10:00 AM -11:00 AM

Place: Kallahalli Village

Conducted by: Leo Club “Elite Horizonites”

New Horizon College under Unnat Bharat Abhiyan in 2019 has adopted Kallahalli village which is in Hoskote city, Karnataka. Under the flagship of UBA, the college had organised various activities in the village.

Leo club Elite Horizonites student members and faculty coordinator Ms Divya Baliga B visited the village on 6th March 2022. Grama Panchayat President Mr Byate Gowda, Ex-President Mr Srinivas and other members were present in the meeting.

Grama sabha at Kallahalli

The history and the issues of the village were narrated by the Grama panchayat President to the club members.

There are two natural lakes within the Kallahalli village, which forms the main source of water for the villagers. However, over the years the lake has become dirty due to the unauthorised dumping of waste, hence the water has become unsuitable for consumption. Due to this villagers are facing scarcity of water.

There is only one Government school in the village. However, the building has developed cracks on the walls and the ceiling is deteriorating due to lack of maintenance which is potentially life-threatening to the children and teachers.

Leo club members assured them that they will speak to the authorities and try to find solutions to their problems.
