ABOUT NHEI

New Horizon Educational Institution, established in the year 1970, is dedicated towards creating today's pioneers and tomorrow's leaders. NHEI has a glorious history of more than 50 years as one of the premium institutions in the country, providing quality holistic education ranging from kindergarten to higher education. The Institution has tie-ups with various MNCs and international universities and also boasts of numerous Centres of Excellence within the campus, with the aim of providing a comprehensive multidisciplinary platform to all our students in order to empower them to reach the pinnacle of knowledge.

The Government of Karnataka has conferred the prestigious Karnataka Rajyotsava State award for the year 2012 to New Horizon Educational and Cultural Trust For outstanding contribution in the field of education and social service in the state of Karnataka

VISION

Our vision is to establish centers of educational excellence that offer challenging learning environments that encourage high expectations of success through knowledge creation, development of skills and promotion of values.

MISSION

New Horizon Educational Institution seeks to provide education that will inspire students to achieve the highest standards of intellectual and personal development to become creative and caring builders of the future.

GOAL

To adhere to the reputation of being able to channel our human resources and guide the transformation process of every individual's dream in to a reality.

ABOUT NHC

New Horizon College – Kasturinagar, is affiliated to Bengaluru North University. The scenic and serene college campus provides an environment that is conducive to the personal and intellectual growth of a student. With the objective to produce world-class professionals, care is taken at every step to enlighten, educate and to inculcate in every student, the passion to become a forerunner, and a sense of professionalism that prepares them to meet the changes and challenges of the competitive world.

Practical educational experiences and multimedia-enhanced classroom capability blends with traditional instruction, allowing us to give students an advantage as they strive to fulfill their career goals.

VISION

To impart student centric education and empower them to fulfill their academic and professional passions in an environment that is diverse, vibrant & inclusive.

MISSION

To groom holistic individuals capable of critical and lateral thinking, with the ability to preserve and transmit knowledge, wisdom and values that will instill self-fulfillment and competitiveness.

QUALITY POLICY

To benchmark education services of the highest quality so that our students can confidently serve the industry and society, in India and abroad.

VALUES

To edify students to uphold integrity, civility and honesty, to relentlessly pursue excellence, to embrace diversity and inclusion, and to ignite creativity, inquiry and scholarship. Our sole aim is to teach, interact, nurture and equip them to become responsible citizens of tomorrow.

CHAIRMAN'S PERSPECTIVE

Today, India has earned a distinctive mark in the global scenario for providing professional education and is significantly contributing to the knowledge bank of the world. Contemporary lifestyle is being driven by an astonishing pace of developments in technology and management encompassing all sectors.

With these rapidly changing facets, it becomes imperative to blend strong value systems with a knowledge centric approach leading to the creation of leaders who are mentally, emotionally, socially and intellectually capable, who can channel the future towards glorious accomplishments. This reinforces the strong role of institutions in enriching student communities and thereby creating both, a better society and a better tomorrow for all stake holders.

New Horizon Educational Institutions deem it worthy not only to appreciate, but also to effectively implement these value systems. Our institutions from time to time have been adopting key innovative modes of empowerment with a multidimensional approach for leading the wave to generate leaders, beyond mere professionals who can bring about a constructive change at all levels. For a life formative education, it reaffirms the need to couple ethics with knowledge in providing a higher education platform. Our institutions stand tall with pride and satisfaction in all endeavors.

Warm welcome to this temple of wisdom and value filled atmosphere for carving successful professional chapters with satisfaction unlimited and un-matched knowledge.

We stand committed and continue to strive in pursuit of excellence.

Dr. Mohan Manghnani
Chairman, NHEI

PRINCIPAL'S MESSAGE

Hearty Congratulations to the parents and students for choosing to be a part of the New Horizon family.

New Horizon College has grown in leaps and bounds in a span of twelve years, providing an atmosphere of high academic excellence and cultural opportunities for the holistic development of the students

I believe that words may inspire, but only action can create a change. Be a catalyst of change. The college is gearing itself for a paradigm shift in tune with the changing trends by making the teaching-learning process student-centric and innovative. Our mentoring system, tutorials and continuous assessment programmes help us to identify students' learning difficulties and special needs. We focus on extension activities to connect the students to the world of work and communities.

Our College intends to Innovate, Collaborate, Educate and Empower so as to make the students successful in their professional and personal lives; and also help them become true knowledge seekers with capacity to give wings to their dreams.

Best wishes and warm regards

Dr. A R Sainath
Principal, NHCK

National Educational Tour

The IV semester students of B.Com, BBA and BCA were taken to Goa as part of the National Educational Tour during May 2021. Each batch consisted of around 100 students and 3 faculty members. Students visited the Tropical Spice Garden plantation; spread over 180 acres, wherein the different uses of plants grown there, right from Fenny distillation to extraction of essential oils were made known to them. They also visited St. Francis Church at Old Goa, an architectural splendor while also spending quality time in exploring Fort Agoda. They also visited Baga, Vagator and Miramar beaches. The trip added value in terms of team work, coordination and taught students the art of balancing freedom with responsibility.

International Educational Tour

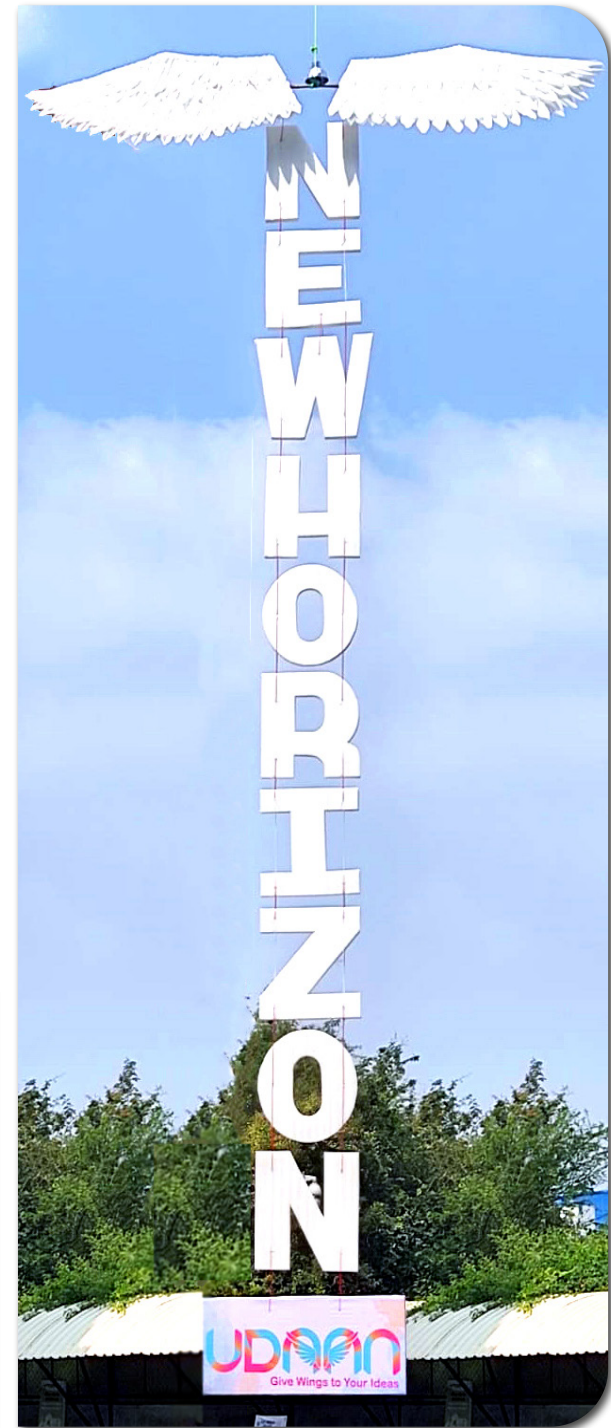

New Horizon College organised an international educational tour from 25th to 30th January, 2019 to France, Belgium, Germany and Netherlands. Students from BBA, B.Com and BCA were part of the tour.

The students visited historic and world renowned landmarks in Paris, Brussels and Cologne. They travelled to Amsterdam and visited the cheese factory and wooden shoe factory - situated in a rural setting. The students were taken on a guided tour to Schneider Electric in France, giving them insights into what makes the brand so special. The trip was, on the whole, a great experience and exposure to students to learn and explore different countries, their culture, Cuisine, economy, commerce and industry.

Udaan is a mega entrepreneurship event. Udaan, which is the vision of our Honourable Chairman of New Horizon Educational Institution Dr. Mohan Manghnani for all the students of New Horizon to make them independent and self-reliant in all senses. Udaan is one of the biggest launchpad of startups from our campus as advocating creativity, innovation and entrepreneurship. UDAAN also signifies support to the Aatmanirbhar Bharat Abhiyaan, the self reliant India campaign, which is the vision of new India, envisaged by our honourable Prime Minister, Shri Narendra Modi, following the mantra, "Lets innovate for India, innovate from India. Udaan aims at identifying and producing more than 100 startups. Once the students register and get shortlisted for the journey they would go through a detailed process of learning, training and mentoring, helping them to convert their ideas into business opportunities. Participants will get to meet founders, co- founders, investors, increasing their network, meeting with mentors who will guide them for the preparation of the business plans leading to the seed funding.

Intercollegiate Cultural Fest - Sargam

SARGAM is a state-level intercollegiate cultural festival hosted by New Horizon Educational Institution each year. NHEI believes in providing excellent opportunities for students to participate in a wide range of diverse and challenging activities. Sargam is a platform for students to realise their full potential. Students learn skills such as event management, interpersonal communication and team building through this programme.

The SARGAM fest brings together students from various educational institutions, providing an excellent platform for them to showcase their talent and win monetary prizes. It combines the PUC and PG students from various streams across the state under one roof. Sargam was held on the 20th and 21st of September, 2019, with the special and unique theme 'PANCHA BHootA-Essence of the Universe.'

Sargam 2019's theme, 'PANCHA BHootA,' challenged and entertained students with a variety of competitive events, as it had in previous years. Painting, Mime, Acapella, Freeze IT (photography), L. A Model, Switch Foot, DJ wars, Street dance, Quiz, Battle of Bands, Contemporary Dance (group), Street Play (group), Computer Gaming, Improv, Aircrash, B-Boying, and the Mega event Maha Tattva were among the 20 competitions held in the New Horizon Knowledge Park.

New Horizon College of Engineering is an autonomous college affiliated with Visvesvaraya Technological University (VTU), approved by the All India Council For Technical Education (AICTE) and the University Grants Commission (UGC), and accredited with an 'A' grade by the National Assessment and Accreditation Council (NAAC). The National Board of Accreditation has accredited all undergraduate courses (NBA). It is in the center of Bengaluru, India's IT hub. The scenic and quiet campus of NHCE provides a conducive setting for personal and intellectual growth. Intel, Accenture, Capgemini, ARM, Symphony, Wipro, Nokia, JP Morgan, and Cisco are just a few of the MNCs and IT giants that surround the college campus in Bangalore's IT corridor. NHCE boasts of a campus with cutting-edge facilities to give students a comfortable and productive learning environment. Students are encouraged to pursue their passions by having access to high-tech facilities and faculty support. Innovative educational programs that integrate both traditional class room theory and professional skills training are given top importance at the institute. Scholarships are available from the management for deserving students. There is a considerable emphasis on pupils' total personality development, with a focus on soft skills. Mentoring and counseling services are available to students. The infrastructure serves as a catalyst for effective curriculum delivery. We at NHCE recognize and value our responsibility as educators. Students are encouraged to identify their talents and choose their functional specialty from the minute they arrive on campus. This allows them to focus their efforts and energies to acquire a competitive advantage. Through a progressive approach to education that promotes intellectual curiosity, creativity, diversity, and community involvement, NHCE creates a passion for creative learning.

www.newhorizonindia.edu

New Horizon College, Marathahalli, is one of the oldest member of the New Horizon Educational Institutions family in Bengaluru, having been founded in 1998. Over the years, New Horizon College, Marathahalli has carved a niche for itself in the society as one of the leading institutions for providing holistic education of the highest quality, aimed at improving the well being of each learner and the student community at large.

New Horizon College, affiliated to Bengaluru North University follows the University's curriculum and adheres to its guidelines to provide an all comprehensive form of education to our students to open a myriad of opportunities for them. As our key philosophy, we imbibe core ethical values and a futuristic way of thinking to achieve greatness, while our learning process, both inside and outside the classroom, paves the way for learning new vistas in theory and in practice, ensuring that every gambit of knowledge is considered. We believe that everyone can reach their potential if they are disciplined and committed. Within the campus, the college offers a variety of opportunities for students to participate in live projects, hands-on workshops and value-added courses. Along with the University's mandated courses, such as CA-CPT coaching, SAP Training, Tally, Global Certification, ACCA and others are offered.

VISION

Our vision is to be known as a prestigious and prominent school that provides excellent education and develops future leaders.

MISSION

Our goal is to establish a learning atmosphere that fosters intellect and creativity, promotes innovation and develops leaders and trailblazers among our students. Our teaching methodology strives to educate our students for a world that is fiercely competitive and to assist them in achieving excellence in their chosen field.

VALUES

We teach our students the values of endurance, fortitude, and righteousness to attain great achievement in life.

Our main goal is to instill in our pupils a love of learning and a willingness to study because learning does not happen by accident; it must be pursued with zeal and passion. Above all, we want to instill in our pupils a desire to contribute to society and a desire to move the country forward.

We don't stop at the University's curriculum; we go above and beyond to demonstrate our concern, obligation and commitment to each student that joins our family. Every student is encouraged to advance and develop a dynamic personality and high intellectual levels.

We prescribe and use a variety of learning approaches and methodologies in the background as supplements to the University syllabi, adding value to the entire undergraduate learning experience. These additional learning methods allow students to satisfy their appetite for information while also assisting them in aligning their thoughts and ideas with the subject they have chosen. We urge every student to cultivate a good attitude toward learning through gaining knowledge, instilling the practise of learning as a part of daily life, and developing a positive attitude.

NEW HORIZON
PRE-UNIVERSITY COLLEGE

www.nhpuc.in

New Horizon Pre-University College (NHPUC) is recognized by The Department of Pre-University Education, Government of Karnataka. Science and Commerce streams are offered at NHPUC. The syllabus follows the guidelines set forth by the Government of Karnataka's Department of Pre-University Education.

VISION

To be known as an innovative, creative institution that focuses on delivering highly innovative students to the world with the aptitude and agile mentality to be entrepreneurial and socially responsible global citizens capable of navigating the intricacies of a quickly changing world

MISSION

NHPUC's purpose is to educate students for the betterment of our society. This is accomplished via our belief in the transforming potential of education. Students embark on a journey of intellectual transformation that begins in the classroom with exposure to new ideas, new methods of understanding and new ways of knowing. It is possible to deepen intellectual transformation and establish circumstances for social reform. We hope that as a result of this, students will begin to shape their lives by determining what they want to accomplish with their talents, evaluating their beliefs and interests and determining how they may best serve society.

VALUES

At New Horizon Pre-University, we believe in instilling in our pupils a strong work ethic, a clear moral compass, respect, and a hunger for knowledge, as well as the determination to persevere until the goal is met. We encourage all our students to not only participate in change but to bring about and lead a change. We instill in our students the value of serving the country and assisting in the upliftment of the less fortunate.

GOAL

- For our students — To provide students with the best possible learning experience.
- For our people — To optimize the experience and expertise of our people and help them make the best possible contribution towards the student experience.
- For our community — To contribute and respond to the economy, social and environmental well-being of our community.

Since its beginning, the school has emphasized student empowerment via knowledge exploration and expansion. It is a source of great pride for New Horizon Public School to have consistently produced 100 percent ICSE results since 1991. This achievement has been made possible through total quality education that seeks excellence in performance.

New Horizon Public School has been grooming hundreds of young brains to become the best brain bank of young India since its foundation. The students who graduate from the school are living examples of greatness, having been shaped by the school's value-based teaching during their formative years. At New Horizon, education is more of an awakening than a transfer of knowledge. Our motto, "In Pursuit of Excellence," refers to human brilliance as a result of true educational empowerment, not merely academic excellence.

VISION

To be a world-renowned school recognized for our distinguished teaching pedagogy. Our vision is to see every New Horizonte emerge as a trail-blazer, holding the torch of knowledge and armed with learning enhanced by national, global, and multicultural perspectives.

MISSION

Our purpose is to provide students from all walks of life with an exceptional education and to assist them in becoming enlightened individuals. We want to establish a motivating and supportive environment for our students so they may excel in their chosen industry. By establishing an atmosphere of respect and human dignity, we hope to build the personality and character of our pupils.

VALUES

We think that emphasizing value-based education encourages children to adopt and live by principles of integrity and discipline. Academic performance and great personal character development are aided by a strong spiritual, moral and cultural environment.

CORE VALUES

- Compassion for other people.
- Honesty in thought, speech, and action.
- Respect for our historical beliefs and traditions.
- Moral, social, and intellectual ethics are emphasized.
- Individuality is valued, as is social responsibility.
- Improving the overall educational effectiveness of each student

WHY NHPS ?

- Unparalleled academic track record - 100 percent results
- More than 98 percent of our students receive distinctions and first classes in exams
- Emphasis on moral values and ethics
- Extracurricular activities and sports
