About NHEI

New Horizon Educational Institution, established in 1970, is dedicated to creating visionary pioneers and tomorrow's leaders. NHEI has a glorious history of more than 50 years as one of the premium institutions in the country, offering quality and holistic education ranging from kindergarten to higher education. The institution has tie-ups with various MNCs and international universities and also boasts of a plethora of "Portals of Excellence" within the campus, with the aim of providing a comprehensive multi-disciplinary platform to our students in order to empower them to reach the pinnacle of excellence.

The Government of Karnataka has conferred the prestigious Karnataka Rajyotsava State Award for the year 2012 on New Horizon Educational and Cultural Trust for outstanding contributions in the fields of education and social service in Karnataka.

About NHC

New Horizon College – Kasturinagar, affiliated with Bengaluru North University, provides a picturesque backdrop for holistic student development. Committed to nurturing world-class professionals, the college integrates practical experiences and multimedia-enhanced classrooms, giving students a distinct advantage. Offering Bachelor of Business Administration (BBA), Bachelor of Commerce (B. Com), and Bachelor of Computer Applications (BCA) across Executive, Professional, and Executive Plus streams. Our approach instils leadership, passion and professionalism to meet the challenges of the competitive world.

Vision

To be recognized as an eminent and transformative institution offering an unparalleled educational journey that encompasses intellectual and social realms and to manifest into a portal through which future leaders evolve.

Mission

To provide an intellectually stimulating environment that nurtures intellect and creativity.

To empower and embolden our students to emerge as leaders and pathbreakers fuelled by innovation and creativity.

To provide exposure to new ways of understanding indispensable to ignite remarkable breakthroughs.

To build strategic collaborative teams to promote excellence in education and research.

Chairman Message

Dear Students and Parents,

It is with immense pleasure that I extend a warm welcome to you on behalf of the New Horizon College. As the Chairman of this distinguished institution, it is my honor to introduce you to a world of academic excellence and transformative learning experiences. At New Horizon College, we pride ourselves on providing a nurturing environment that encourages intellectual curiosity and fosters personal growth. Our state-of-the-art facilities and world-class faculty are dedicated to shaping well-rounded individuals equipped with the skills and knowledge to thrive in today's dynamic world.

We believe in an education that goes beyond textbooks, focusing on holistic development and preparing students to be future leaders and contributors to society. Our curriculum delivery is designed to instil critical thinking, creativity, and a passion for lifelong learning.

I invite you to embark on this journey with us, where each student is not just a part of an institution but a member of a vibrant and supportive community. Join us at New Horizon College, and let us together carve a path towards academic excellence and personal success.

Dr. Mohan Manghnani

Chairman,
New Horizon Educational Institution

Principal Message

Welcome to New Horizon College - Kasturinagar, a premier Institution that rests on strong academic foundation, blended with a contemporary approach that seeks to mould young men and women into successful role models. As you step into the portals of this College, you are engulfed by our ethos of competence, discipline and character. The aim is to make learning an enriching, fulfilling, and enjoyable experience through a multidisciplinary approach, combining theory and practice in pedagogy.

We at New Horizon College provide students the experience of life skills, social values, knowledge and holistic personality development with the proximity of faculty members during working hours as well as extended hours through both online mode and offline mode. Talents are honed through an amalgam of classroom learning as well as sports, games, cultural and other allied activities. This 360-degree approach of grooming their personality is the cornerstone of education imparted at NHC.

We believe that you “gain more knowledge, reach greater heights”. Accountability and meritocracy only come with self-confidence, a quality that is omnipresent in NHC. I welcome all aspiring young minds to join this enthusiastic family of NHC in pursuing knowledge to serve the world at large.

Dr. Baswaraj

Principal,
New Horizon College, Kasturinagar

Bachelor of Business Administration

Bachelor of Business Administration is a dynamic program that develops students' potential of being leaders, entrepreneurs, academicians as well as researchers in the field of business/business education. The college follows the Bengaluru North University curriculum, which is perfectly designed to enable an individual with conceptual, analytical as well as empirical approaches and strengthen their communication skills; thus building their potential to grow in myriad roles within the industry and in the world of business. The department organizes national and international industrial visits, invites senior managers from the Industry for guest lectures, to share their experiences, and organizes seminars, workshops, college fests, and technical games.

Students are encouraged to participate in various lectures, seminars, and workshops outside the campus and cultural and literary events held in various colleges and universities. The college campus is well-equipped with the infrastructure that provides students the space they need to release their fathomless creativity, be it academics, cultural activities or sports.

Vision

To create well equipped individuals to meet the challenges of the dynamic competitive world through a plethora of time tested and proven pedagogical teaching and learning.

Mission

To mould the students for positioning themselves in organizations, businesses, thereby enabling them to perform successfully, ethically, and professionally in a complex business scenario.

Objectives

1. To foster global competencies among students so that they may pursue careers in management and excel in different fields.
2. To inculcate a value system among students to enhance their skills vibrantly.
3. To ignite a quest for excellence.
4. To encourage self learning & self evaluation.

Duration

BBA degree extends over a period of three academic years, with each academic year comprising two semesters.

Career Scope

Bachelor of Business Administration makes a graduate adequate for various kinds of professions wherein they can explore and utilize their potential in most challenging ways. Besides having an assurance of getting entry level positions in many corporates and organizations and starting as members in HR/Finance departments, some of the charismatic job opportunities can be:

- Operations Manager
- Sales Manager

Infrastructure

Our campus incorporates infrastructure that matches the best standards. The layout of the classrooms is designed to maximize light and space. The classrooms are equipped with ergonomically compatible desks and chairs. Outside the classroom, a modern cafeteria ensures comfortable on-campus experience. Our campus boasts of excellent sports and recreational facilities.

Library

The library at our college provides access to a wide range of study materials and services that contribute to academic success. The library's collection includes books, journals, newspapers, magazines, and other materials in various formats, such as print, digital, and audio. The library also provides access to online database and e-books, giving students the ability to search for and access scholarly articles and other research materials from anywhere. The digital library offers access to a range of multimedia content. Our digital repository contains textbooks from NCERT, question banks, videos and study material for exam preparation. The library at NHC has more than 20,000 paperbacks and more than 1,95,000 e-books to choose.

CodeRealm - Computer Lab

The Computer Labs are equipped with the latest multimedia and other peripherals to ensure students get access to the best digital tools available. The systems are enabled with high-speed internet connectivity and the latest software.

The lab is staffed by qualified technicians who are available to assist with any technical issues or queries.

InnoHub: The Business Accelerator Lab

The state-of-the-art business lab at NHC focuses on building project plans, presentation skills and real-time projects. The lab is a drop-in centre where an active learning environment stimulates students to study various business strategies. The lab is equipped with facilities to create presentations and project plans.

LinguaSphere: Language Mastery Lab

The language laboratory focuses on active speaking-based learning. The lab has dedicated resources for the study of foreign languages. The language lab is based on LSRW skills that are listening, speaking, reading and writing. The lab offers a platform for students to comprehend the subtle nuances and structures of a language.

Indoor & Outdoor Sports

NHC boasts of a standard-size basketball court, a volleyball court, a throw ball court, and an indoor badminton court. A variety of indoor games are available for students' recreation.

NHC Sports Achievements-2023-24

Albin Sebastian - 1st place in Badminton and 3rd place in Table Tennis.

Sanjay M - 1st place in Badminton and 3rd place in Table Tennis.

Nikhil A - 2nd place in Power Lifting.

Krithika G & Shirly D - 3rd place in Power Lifting.

(Champions of Bengaluru North University)

Student Clubs

At NHC the emphasis on clubs cannot be overstated. Students are encouraged to get affiliated to multiple clubs to hone their skills for holistic advancement. The clubs promote critical thinking and the complex process of conjecture building.

- Change Maker Talks Club
- Centre for Art, Design and Technology
- Centre for Music
- Centre for Research and Development

Effective anti-ragging policies and committees

Satrang

SATRANG, a flagship platform which focuses on culture, fine arts, music, dance and other art forms, offers an excellent platform to showcase diverse talents.

At NHC, we lay equal emphasis on academics and co curricular events and activities for the holistic advancement of students.

Sargam

Sargam is a National-level intercollegiate cultural fest hosted by New Horizon Educational Institution every year. The event was based on the theme 'Ramleela', which celebrated the energy and power of Shri Ram. More than 20,000 students from various colleges across the country participated in the event, showcasing their talents and creativity.

The Mega Event, "RAM KATHA," was the major attraction of Sargam 2023, which witnessed highly energetic and powerful dance performances from various colleges. The total cash prize given to the winners of various events was Rs. 12,00,000/- +.

The final day concluded with a stunning performance by the youth diva and Indian singer Ms. Dhvani Bhanushali and DJ Saket Maskara. The theme for Sargam 2024 has been announced as "BHARAT" at the valedictory ceremony of Sargam 2023.

Udaan

New Horizon College has relentlessly endeavoured to empower students to adopt global perspectives. Our esteemed Chairman, Dr. Mohan Manghnani, conceptualised UDAAN to inspire students to fulfil their dreams and aspirations by manifesting into self-reliant visionary leaders of tomorrow. UDAAN, a flagship programme offered by NHCK, aims to transform innovative ideas into marketable products and services. UDAAN, a mega-entrepreneurship event held at NHC, attracted a plethora of brilliant and inquisitive minds. UDAAN is an initiative that draws inspiration from the Atmanirbhar Bharat Abhiyan envisaged by our honourable Prime Minister, Shri Narendra Modi. UDAAN nourishes potential start-ups and offers holistic support for our students.

www.newhorizonindia.edu

An autonomous college associated with Visvesvaraya Technological University (VTU), New Horizon College of Engineering has received approval from both the University Grants Commission and the All India Council for Technical Education (AICTE) (UGC). The National Assessment and Accreditation Council has granted its accreditation and assigned it an "A" grade (NAAC). Each undergraduate course has received accreditation from the National Board of Accreditation (NBA). The campus is located in Bangalore, the nation's Technology heartland surrounded by MNCs and IT behemoths including Intel, Accenture, Capgemini, ARM, Symphony, Wipro, Nokia, JP Morgan, and Cisco.

The campus boasts modern amenities to provide students with a relaxing environment. The management offers scholarships to promising students. The overall personality development of the students is heavily emphasized, with a distinct stress on soft skills. Students can access counseling and mentoring services. The infrastructure is a driving force behind efficient curriculum delivery. Through a progressive approach to education that encourages intellectual curiosity, creativity, diversity, and community involvement, NHCE fosters a passion for creative learning.

Mission

Fostering a culture of inquiry and creativity among teachers and students to increase the theoretical, practical, and ethical components of the learning process. Encourage long-term collaboration between academia and industry by involving industry in the development of the curriculum and its practical execution. Encourage participation in co-curricular and extracurricular activities to enhance and mould students in professional, ethical, social, and environmental dimensions.

- B.E. Electrical & Electronics Engineering
- B.E. Mechanical Engineering

PG Program

- Master Of Technology (CSE)
- Master of Business Administration (MBA)
- Master of Computer Applications (MCA)

Research Program

- Ph.D /M.Sc (Engg) in AU, CSE, ECE, EEE, ISE, ME, Maths, Computer Application, Management Studies & Chemistry

New Horizon Council for Innovation, Incubation & Entrepreneurship -NHCIE

(Corporate Identification Number: U88900KA2023NPL178028)

Welcome to the New Horizon Council for Innovation Incubation and Entrepreneurship (NHCIE), NHEI's self-funded incubation center that brings together bright minds from diverse backgrounds to exchange ideas, explore possibilities, and co-create solutions to the pressing challenges of our time.

NHEI has established its self-funded incubation center, "New Horizon Council for Innovation Incubation and Entrepreneurship (NHCIE)", a Not-for-Profit License (NPL) Company under Section 8(1) of the Company Act, 2013, as an Incubation facility.

It is dedicated to bringing changes in society not only through creating quality education but also by supporting students and the whole ecosystem to build more job creators than job seekers, an initiative towards 'Atmanirbhar Bharat Abhiyan'.

Our Industry Sponsored Labs

International Collaboration

Industry Collaborations

Established in 1998, New Horizon College is certified by NAAC with an "A" grade and is permanently affiliated with Bengaluru North University. The picturesque and sprawling college campus offers a supportive environment for a student's intellectual and personal growth. Every effort is made to enlighten, educate, and inculcate in each student a sense of professionalism that will prepare them to meet the challenges of the competitive world.

NHC has experienced enormous success due to the sustained efforts of its teachers and the continuous progress of its students. Proper exposure is provided to help students develop into competent, capable, and composed graduates. It prepares them, holistically, for intellectual, social, and emotional traverses. NHC endeavors to improve every student's persona by equipping them to develop a wide range of skills through appropriate opportunities.

Vision

To impart student centric education and empower them to fulfill their academic and professional passions in an environment that is diverse, vibrant & inclusive.

Mission

To groom holistic individuals capable of critical and lateral thinking, with the ability to preserve and transmit knowledge, wisdom and values that will instill self-fulfillment and competitiveness.

Quality Policy

To benchmark education services of the highest quality so that our students can confidently serve the industry and society, in India and abroad.

Values

To edify students to uphold integrity, civility and honesty, to relentlessly pursue excellence, to embrace diversity and inclusion, and to ignite creativity, inquiry and scholarship. Our sole aim is to teach, interact, nurture and equip them to be responsible citizens of tomorrow.

Courses Offered

B.Com - Bachelor of Commerce

BBA - Bachelor of Business Administration

BCA - Bachelor of Computer Applications

M.Com - Master of Commerce

All courses are offered in 3 streams - Executive, Professional and Executive + Dual Qualification. Students can opt for a regular 3 year Degree Course program or a 4 year Honors Program

'A' Grade College
Accredited by the Department of Pre-University Education,
Government of Karnataka

www.nhpuc.in

New Horizon Pre-University College (NHPUC), which was established in 1982, has received recognition from the Department of Pre-University Education, Government of Karnataka. In New Horizon Pre-University College, science and commerce streams are offered. The curriculum adheres to the pre-university education department's regulations, which are laid forth by the Government of Karnataka.

Vision

To be known as an innovative, creative institution that focuses on sculpting highly innovative students to the world with the aptitude and agile mentality to be entrepreneurial and socially responsible global citizens capable of navigating the intricacies of a quickly changing world

Mission

NHPUC's purpose is to educate people for the benefit of society through the transformative potential of education. Students embark on a journey of intellectual transformation in the classroom, which can deepen intellectual changes and create conditions for social reforms. Ultimately, students will shape their lives by determining what they want to achieve with their talents, beliefs and interests, and how they can best serve the community.

Values

At New Horizon, we believe in instilling in our pupils a strong work ethic, a clear moral compass, respect, and a hunger for knowledge, as well as the determination to persevere until the goal is met. We encourage all of our students to not only participate in but also to lead, and change. We instill in our students the value of serving the country and assisting in the upliftment of the less fortunate.

Goal

For our students – To provide students with the best possible learning experience. For our people - To optimize the experience and expertise of our people and help them make the best possible contribution towards the institution.

For our community – To contribute and respond to the economy, social and environmental well-being of our community.

New Horizon Public School is one of Bangalore's most prestigious public schools, located at 100 Feet Road in Indiranagar. It has a 35-year history in education and a vision and objective to provide holistic education to its pupils. The Council for the Indian School Certificate Examination, New Delhi, is linked with New Horizon Public School, which is a co-educational school. It has consistently produced 100 percent ICSE results since 1991, made possible through total quality education that seeks excellence in performance. The school's motto, "In Pursuit of Excellence," refers to human brilliance as a result of true educational empowerment, not merely academic excellence.

Vision

To be a world-renowned school recognized for our distinguished teaching pedagogy. Our vision is to see every New Horizonite emerge as a trail-blazer, holding the torch of knowledge and armed with learning enhanced by national, global, and multicultural perspectives.

Mission

Our purpose is to provide students from all walks of life with an exceptional education and to assist them in becoming enlightened individuals. We want to establish a motivating and supportive environment for our students so they may excel in their chosen industry. By establishing an atmosphere of respect and human dignity, we hope to build the personality and character of our pupils.

Values

We believe that emphasizing value-based education encourages children to adopt and live by principles of integrity and discipline. Academic performance and great personal character development are aided by a strong spiritual, moral, and cultural environment.

Core Values

- Compassion for other people.
- Honesty in thought, speech, and action.
- Respect for our historical beliefs and traditions.
- Emphasis on moral, social and intellectual ethics.
- Individuality is valued, as is social responsibility.
- Improving the overall educational effectiveness of each student

Why NHPS ?

- Unparalleled academic track record - 100 percent results
- More than 98 percent of our students receive distinctions and first classes in exams
- Emphasis on moral values and ethics
- Extracurricular activities and sports

**Ranked No:1
in INDIA based on
ICSE Result - 2014**

NHEI's newest initiative is the New Horizon International School. At NHIS, we open doors to a world of possibilities to become truly global citizens. We provide two comprehensive teaching methodologies and curriculums: the Cambridge Assessment International Education [CAIE] curriculum for students in primary school through grade 12 and the HYBRID CBSE State Board curriculum for students in primary school through grade 12. We believe that the ideal education educates our kids to be sovereign thinkers, exquisite innovators, and proficient problem solvers through inquiry-based learning.

Vision

To create a holistic learning environment that prepares our students to be effective Global Achievers and Pioneer Innovators.

Mission

To ensure that our students are prepared to face life's problems and emerge as indisputable leaders by integrating the cardinal skills of Critical Thinking, Communication, Collaboration, and Creativity with a teaching pedagogy that emphasizes Skill Development.

Values

Our mission is to provide our pupils with a world-class international curriculum that has been flawlessly blended with our country's rich culture and the wisdom of our sages to help them become well-rounded persons who can demonstrate knowledge in all areas of life.

Why NHIS ?

Our campus has been consciously built to encourage new ideas and spark curiosity in our students, allowing them to tap into their inner creativity.

We've taken a multifaceted approach to ignite young minds and develop leaders who are more than just professionals. The Cambridge curriculum is adaptable, challenging, and motivating, to cultivate informed curiosity and a lifelong love of learning. NHIS is the ideal choice for parents who wish to see their child grow into a leader, inventor, and humanitarian thanks to its cutting-edge infrastructure, innovative laboratories, and diverse sporting opportunities.

About CIE & Hybrid CBSE

Our curriculum is meticulously designed to inspire new ideas and ignite curiosity in our students.

We provide two comprehensive boards of education -

- NHIS being affiliated with Cambridge CIE (Cambridge International Education) – CIE is the world's most popular and sought after international board. Giving students a wide range of subject options to choose from, CIE's pedagogy is designed in a manner which facilitates flexibility and freedom. CIE incorporates the best international education accompanied with experiential learning methodologies, igniting within our students, a passion for learning and unlocking the innate genius within them.
- HYBRID CBSE (Central Board of Secondary Education) – A concept unique to NHIS, HYBRID CBSE is an optimal blend of CBSE with the best practices of an international board, ensuring learning of the highest order. Our HYBRID CBSE curriculum has been developed keeping in mind the needs of the 21st century. With international infrastructure and a student centric hands-on teaching pedagogy, we nurture creativity and promote innovative thinking to give rise to leaders and innovators.
