DEPARTMENT OF BCA/BBA/BCOM

Centre for Research and Development

Event Name: FDP on **“Publishing a Research paper in a reputed Journal”**

Date : 13.04.2024

Venue: Computer Lab

About the Event:

The FDP was conducted on 13.04.2024 at 1.30PM in Computer Lab. The Resource Person was Dr Sreejith S, Associate Professor from the department of AI and ML, NHCE. The programme commenced with the welcome address and the session started about how to write the comparative study and also about the “origin tool” for the faculties..He explained about the "origin tool" which typically serves as a reference point or starting point for drawing diagrams. It's often a feature that allows users to set a specific point on the canvas as the origin, which can be helpful for aligning and positioning elements within the diagram accurately.

Next the session continued by Dr Ashok Associate Professor from the department of Computer Science and Engineering, NHCE. He had explained about how to use LaTeX overleaf to write the research paper
